

REGISTERING A POTENTIAL SITE

The number of sites in Jersey are very limited at the present time. It is however hoped that under this initiative more suitable land will become available. To match potential plot holders held on our register with a site offered for rental, you are invited to provide contact details and brief description of the land you have available. Your details are treated in the strictest confidence and will not be shared with any third party without your prior consent.

The Association will contact you either by email or telephone*
